"Entertainment That Uplifts The Soul"

\*Christian Outreach Through **COMEDY & MUSIC**

## **[BOBHOOVER.ORG](http://BOBHOOVER.ORG)**

We are living in a day and age where we need hope and positive reinforcement more than ever in our lives. It's amazing how much a smile, a good laugh or a word of encouragement can help; and our hope comes from a personal relationship with Jesus Christ our Lord.

I've always believed that laughter and music are some of the best ways that God ever gave for communicating hope and encouragement. So I use both of these when I present my concerts "**[Bob Hoover in Concert](#)**", which are a combination of Music, Stand-up Comedy and Ventriloquism.

The goal in presenting these concerts is to encourage and inspire believers. They also provide a friendly environment for non-believers to hear the Gospel message in a non-threatening form. I received Jesus Christ into my heart when I was 7 years old and have been following Him ever since: doing whatever I can to shine His Light and spread "The Good News".

These concerts are a fun, entertaining, toe tappin', hand clappin', belly laughin', positive good time. \*[They are a great tool for outreach to your community.](#)

I am able to tailor make the concerts to fit your situation; whether you have a Special Event for the whole church, or whether it's something for a smaller group.

All my concerts are "kid friendly", and have something for everybody. Though most of the humor is aimed at the adults, I find that the kids are giggling and laughing just as much, while always focusing on the source of our joy, Jesus Christ.
